Wolves Meet Chiefs In Playoff Friday

Harvey Lindsey, Hereford, inspects the fenders of his friend's pickup truck welded to the rear of a big semi-rig Lindsey was driving. Driver of the pickup was Gus Pedde, also of Hereford. The semi-truck was loaded with construction shacks and the pickup with used furniture.

Hereford Friends Meet In Pickup-Truck Crash

Two friends from Hereford had a tragic meeting on the expressway 4 miles north of Canyon last Friday afternoon.

Gus Pedde, Hereford furniture dealer, was critically hurt when his pickup truck smashed into the rear of a semi-trailer operated by Harvey Lindsey, also of Hereford.

"I sure do hate it," declared Lindsey, "We've been friends a long time."

Pedde, 52 years old, suffered multiple fractures of both legs, fracture of the left arm and numerous cuts and bruises.

He was rushed to Neblett Hospital here in a LaGrone ambulance.

Harvey, 48, said he slowed down to "five or six miles an hour" to make sure his load of construction sheds would go through the Rockwell Road underpass.

He said he and two companions felt something hit the rear of the truck.

Marks on the highway indicated that the Pedde pickup skidded some distance before hitting the truck.

"I walked back there and it was a minute or two before I recognized him (Pedde)," Lindsey reported. "I was afraid it (the pickup) would catch on fire, gasoline was pouring out of it."

The pickup was a twisted mass of metal. So great was the impact that the pickup's front fenders literally were welded to the rear of the truck.

Panhandle Area Has More Birds

Nimrods will have plenty of game to shoot at in the Panhandle as well as below the Caprock when quail season opens Friday, according to Weldon Fromm, district conservation chief for the State Game and Fish Commission.

Better hatching conditions in the spring gave a greater population of bob whites, Fromm said. He attributes this to moderate spring rains and the fact that there was more food available for the young birds.

He said hunting will be generally better in the Panhandle, especially along the Canadian River breaks. Below the Caprock the count of blue quail is down somewhat. He pointed out that blues tend to thrive in dry weather.

Bobs like some rain during nesting.

Fromm pointed out that hunting may begin 30 minutes before sunup and continue 30 minutes past sunset. Bag limit is 12 birds per day and a hunter may have 36 birds in his possession.

Duck season is in full swing, having opened Nov. 18, and is scheduled to continue through Dec. 17. Hunting is fairly good in spite of a shortage of ducks.

There also is a shortage of lakes. Many lakes where ducks have flocked in the past are dry this year and this tends to concentrate ducks where water is available.

Deer and turkey season in the Panhandle closed Wednesday. Fromm said the harvest of deer and turkey was greater this year than last.

Deer are found mostly along the Canadian River and its tributaries and some in the Palo Duro Canyon area. Turkey also are found mostly in the breaks country.

One-Sided Accident Near Here

Romance is a rocky road, indeed, as a young couple from Friona will testify after what happened to them Tuesday night of last week.

Highway Patrolman Gilbert Ray said the two young people --a boy and a girl--fell out of their car, both on the driver's side.

The car meandered on down the road and hit a post several hundred yards away. The car blew a tire. The boy must have felt like blowing his stack.

Minus the seat of his pants--scrubbed away by friction with the pavement -- he changed the tire and the couple drove back to a Hereford hospital where they were treated for lacerations and abrasions.

Man Jailed After Mishap On Highway

An Amarillo man was in Randall County jail early this week as an aftermath of a Tuesday afternoon traffic accident that demolished two cars near Ralph Switch on Highway 87.

Fined $100 and cost and assessed a three-day jail sentence was Bobby Bryan.

Highway Patrolman James Cadenhead said Bryan's car and one operated by Mrs. Doll Edmonds of Happy were wrecked about 3:15 o'clock.

Cadenhead said the car driven by Bryan struck the Edmonds car in the rear. The Edmonds car overturned and Mrs. Edmonds was pinned for a time in the wreckage. She was freed by passersby.

Both drivers escaped without serious injury, according to Cadenhead.

Cadenhead said the car operated by Bryan had struck another vehicle operated by C.M. Rose of Lubbock about 4 miles south of the point of impact with the Edmonds car.

Hazlewood To Reveal Campaign Plan Soon

Senator Grady Hazlewood this week said he will have an announcement some time before Jan. 1 in connection with his plans for the forthcoming Democratic Primary elections.

The senator, who represents one of the most varied constituencies in the state -- labor, industry, petroleum, agriculture -- said Tuesday he is being urged to run for re-election.

Senator Hazlewood has been a member of the state senate for the past 21 years. He is an attorney with offices in Amarillo and also operates a dairy in the Canyon community where he maintains his residence.

Rumors have been rife for the past several months that the senator would not seek re-election. The senator himself may have given some credence to these rumors.

Hazlewood has been one of the most prominent members of the Texas Senate. He has headed up some of the most powerful committees of that legislative group over the past two decades and his name has been linked to important legislation over the years.

Filing deadline for the spring primary is Feb. 6.

MISSY KERR and Jeanne Loudder display the trophies to be presented to the winner and runner up in the quarterfinal football contest here Friday. The first place trophy, supplied by First National Bank, is held by Mrs. Kerr while the runner up trophy, supplied by Hosea Foster, is held by Mrs. Loudder.

Two Great Teams In Grid Classic

One of the finest schoolboy games in the state this year is expected to unreel here Friday afternoon as the Dalhart Wolves meet the Quanah Chiefs in the quarter final round of the state AA football playoffs.

Game time is 2:30 o'clock at Buffalo Bowl.

Quanah sports an unblemished record for the season with 12 straight wins while Dalhart has lost only to powerful Dumas, whose Demons are themselves advancing in state playoffs in the AAA division.

For the coach of the Chiefs it will be a homecoming as well as a dreamed-of football game here at Canyon. Coach Bill Davis, head medicine man for the chiefs, was the Canyon Eagle Mentor two years ago. He coached the Canyon eleven to a district championship that year.

Dalhart trimmed the defending state champions, Denver City, last week 29 to 8 to advance to the quarter finals while Quanah blanked Ballinger 28 to 0.

Tommy Ledbetter is Dalhart's big gun. Ledbetter has 124 carries this year for a total of 1,720 yards rushing--an average of 13.9 yards per carry. He has scored 152 points, intercepted four passes and punted eight times for an average of 40.3 yards per kick.

He has speed, power and stamina. He scored 14 of his touchdowns from outside the 30-yard line. His longest run was 97 yards against Denver City. Ledbetter has snagged five passes for 157 yards, two of them being touchdown passes. He is a senior and a student leader.

Jim McCleskey is a star that shines brightly even in the glow of Ledbetter's stellar performances.

McCleskey has carried 246 times for 1,473 yards, an average of about 6 yards a carry. He has been the work horse of the Dalhart offense. Time and again he has delivered in the clutch for the Wolves.

The faking and running of Quarterback Jay Rounsaville and the blocking and running of Halfback James Gaona have added up to a well-balanced, powerful offense.

Line play has been outstanding and has been led by guards George Pepper and Chester Byrd. Tackle John McClendon and End Bill Baggett have also contributed greatly to the success of the team.

Dalhart has rolled up 421 points this season while limiting opponents to 162.

The Chiefs will be trying to keep their record unblemished as they enter Canyon Bowl.

The Chiefs have plenty of talent in the ball carrying department.

Don Scarbrough carried 149 times for 1,209 yards and an average of 8 yards per carry. He has thrown 49 passes this season, completed 25 for 575

Street Work Plans Are Aired At City Meeting

Canyon city commission Tuesday night used up most of a five-hour called meeting discussing street improvement.

The commission heard consulting engineer Bill McMorries discuss the proposed 1962 street improvements. He told the commission the steps necessary for an assessment procedure for paving costs. McMorries said the commission had to make a decision on what units would be paved for the coming year, then hold a public meeting.

He said after the meeting, the commission would have to decide if any units would be deleted from the paving program because of hardship cases or from too many property owners not wanting the project started.

Then the contractor would contact all property owners to see if they wanted to pay in full or by yearly payments which the commission would have to set.

After commitments by property owners the contractor would begin work on paving the streets.

McMorries told the commission that the paving should

Officers Seek Pet Poisoner

A female dog belonging to the Leroy Morelands was the victim of a poisoner here Monday.

Veternarian Joe Markham said he believes the dog--mother of four 3-week-old puppies --was fed meat containing strychnine.

The Morelands have been hand feeding the puppies. The mother dog is recovering.

Dr. Markham warned the poisoner that a small child easily might become the victim of poison bait intended for a dog. "This presents a severe public hazard," the doctor declared.

The Morelands live at 705 Fourth Avenue. Dr. Markham said there was an outbreak of pet poisoning in the same general area a few months ago.

Police are investigating. Criminal District Attorney A. W. Lair said pet poisoning is punishable by fine up to $200.

Redistricting Broached For Precincts Nos. 1,3

LEVI COLE looks on as County Judge Wayland Angel pulls the lever on the new Rockwell voting machine. The county has leased 30 of these machines. Proposition of whether to buy the machines will be put to referendum next November. The machine is on display at First National Bank here.

***

Redistricting of Randall County precincts is in the offing.

Commissioner B. R. Jones of Precinct 1 suggested that the part of his precinct that lies inside the city limits of Canyon be lopped off and given to Precinct 3.

Glenn Dowlen is commissioner of Precinct 3. He voiced approval of the plan broached by Jones. No decision was made on the suggestion at commissioners court meeting this week pending further study of the effect of the change on voting precincts.

A decision is expected at the court meeting next week.

Jones pointed out that no county roads are involved. He also noted that Canyon now is divided among three county precincts. Only two would lie inside the city limits if the Jones suggestion is approved.

"I think it would give the people of Canyon more representation in the county government," Jones declared.

The by-pass highway around West Texas State College has been suggested as the new boundary between Precincts 1 and 3. Present boundary runs down the middle of Seventh Avenue.

The court voted to participate in buying three outdoor warning sirens at a cost of $1500 to the county for South Amarillo.

R.L. Roseberry, coordinator of Amarillo-Potter County Civil Defense, appeared before the court to make the request.

Roseberry told commissioners that the Amarillo-Canyon area has been designated by the federal government as a single target.

Later Roseberry said in an interview that the area is estimated to be among top 300 targets should nuclear war come. He said there are 100 "primary" targets and Amarillo does not rate among these.

The court this week acted on documents assigning property for construction of the Washington Street overpass to the state. This paves the way for construction of the overpass. Letting of bids is slated for Dec. 19.

Architects' plans for construction of a 28 by 48-foot addition to the court house annex in South Amarillo were accepted. The plans were drawn by Clayton Shiver and Russell Megert.

The addition is designed to accommodate offices for the Fish and Game Commission, county clerk, Highway Patrol and county commissioners. The addition is to be of masonry construction.

In other business the court voted to meet Monday afternoons each week of the month except the second Monday when an all-day session will be held. The court has been holding all-day meetings twice a month up to now.

Judge Wayland Angel announced that a film on use of the voting machine is available for showing. Representatives of any group wishing to show the film may make arrangements by contacting Judge Angel in Canyon or Mrs. Herbert Martin in Amarillo.

Chamber Pledges Come In As Fund Drive Rolls

Sixteen pledges already had been returned to the Chamber of Commerce office by Tuesday afternoon as the campaign to raise a $15,000 Chamber budget rolled into high gear.

"We're moving already," declared Chamber Manager Roland Black.

The campaign got underway Tuesday after months of study. A special committee spent several weeks in laying groundwork for the budget-raising campaign.

New memberships are being solicited and many firms already belonging to the Chamber are being asked to up pledges.

Final arrangements were made at a meeting of the Chamber board of directors Monday night for the annual Chamber of Commerce Banquet to be held the evening of Jan. 4 in the College cafeteria.

Principal speaker for the occasion will be Congressman Walter Rogers.

Ballots have been mailed to Chamber members for selection of four directors from a field of 10 nominees. Nominees include Troy Martin, A. L. Crossland, John Buchanan, H. R. King, Art Roberts, H. R. Fulton, Jr., Huelyn Laycock, R. E. Barnard, R. B. Gist, Jr., and B. B. Warren.

Black said the board is making plans to hold a Chamber luncheon for the membership each quarter next year. Floor discussion could provide some work projects, he said.

Black reported that Christmas decorations for Canyon streets are in the process of being wired. "We'll get them up as soon as that is done," he said.

A delegation from West Texas State will be invited to the next board meeting scheduled Dec. 18 to discuss the possibility of a stronger summer school program. Richard Stovall, member of the board of regents from Floydada, has been invited to the meeting.

Senatorial Race

(an editorial)

Deadline for filing for the Democratic Primary is Feb. 6.

It is an open secret that Senator Grady Hazlewood is not inclined to run for re-election. In spite of the dim view we take of officeholders hanging onto their elective jobs too long, we still hope that Senator Hazlewood will continue to serve us in the Texas Senate.

His 21 years as a member of that body have been useful and distinguished. Among other things of interest to the people of Canyon, is the fact that Senator Hazlewood has traditionally fought the battles of West Texas State College. We have heard little criticism of the senator to date.

Senator Hazlewood is, no doubt, under heavy pressure from many members of the constituency he has served so well to run again. This is only natural and to be expected.

Senator Hazlewood has promised a clearcut announcement of his intentions in the not too distant future -- in plenty of time for other hopefuls to make plans.

If the senator gives this early information, it will be in keeping with the high tradition of his service to the Panhandle. One who has served so long and who could run again with no opposition in sight, could play the role of the dog in the manger and virtually choose his own successor.

Fire Damages Frische Home

Fire damaged the bath room at the Eugene Frische Jr., home north of Umbarger Tuesday afternoon.

Firemen said Mrs. Frische had been painting and paint fumes are blamed for the fire. Damage largely was limited to the bathroom area.

Canyon firemen answered the call with two units.

Two grass fires were reported Saturday, one in town and one in the country. Firemen said about 30 acres of grassland was damaged on the H. R. Fulton, Sr., and B. E. McCormick places north of town. At about the same time there was a small grass fire here in Canyon at 1600 Eighth Avenue.

FROM THE CANYON RIM

By Troy Martin

A lot of the state of our nation and the world today can be laid at the feet of the American reporter, the man who gets paid to tell the public what's going on.

Instead of getting in there and digging for the facts, all too often he accepts his "story" from a public relations "expert" who is on the payroll of the governmental agency the reporter is supposed to be covering.

He has a story about as unbiased as a football fan at a grudge game.

Price Daniel didn't make any friends in the Panhandle when the use of the National Guard Armory at Plainview was refused to a group of folks who wanted to give an appreciation banquet for Marshall Formby.

General Jim Taylor, through whose adjutant general's department the order came, owes his job to the governor.

Formby is a candidate for governor. So is Price Daniel, from all indication.

The group requesting use of the armory was told that it cannot be used for a political meeting. Price Daniel made a speech at a Democratic rally held there less than three years ago, according to newspaper reports from Plainview.

Commissioner B. R. Jones has been losing a little sleep lately. One night not too long ago he was summoned to the telephone at a late hour.

"Are you going to come to see my mother?" asked a feminine voice on the line.

"I don't know why I should" replied the startled Jones.

"Well, she's sick," rejoined the voice.

It finally developed that the woman on the telephone thought she had been talking to Dr. B. R. Jones. "I get lots of calls for him," related the commissioner somewhat ruefully.

Some folks may not be aware of it, but a percentage of all court costs in fines collected is earmarked by law for use in keeping the county law library up to date.

There should be some means of keeping the library abreast and this is just about as good as any we can think up right off the bat.

Cecil McNeil and C. A. Dempsey, safety officers from the Department of Public Safety, were by one day last week with some interesting facts about speed and traffic safety.

It was sobering to have some experts talk to an old speed demon such as yours truly like those boys talked to me.

I didn't know, for instance, that it takes 255 feet, with good brakes, to stop a 3,000 pound car traveling at 60 miles per hour. Such a car traveling at that speed generates 360,000 foot pounds of kinetic energy.

That simply means that the force propelling the car is sufficient to move one pound 360,000 feet.

Increase the speed to 61 miles per hour and an extra 10 feet is required to stop the vehicle.

It requires 100.4 feet to reduce the speed of a car from 75 miles an hour to 62 miles an hour in one second.

Hair-raising, isn't it?

I don't think I've ever seen anyone run a meeting with more ability than that displayed by School Board President Jack Haley.

School board meetings I've covered here have seldom been long and drawn out. Usually the board gets the work done and then adjourns.

4-H Event Friday Nite

Randall County 4-H Club achievement event will be held at 7 o'clock Friday night in the Junior Livestock Building, according to County Agent John Brazzil.

Brazzil said some 40 achievement awards will be conferred.

be done in April or May, so the paving could properly set and be ready for the first winter months.

Paul Lindsey suggested to the commission members that they meet some afternoon to go over the proposed streets. They decided to meet Sunday afternoon at 4:30 for a visual way to check the streets.

The commission then heard Bill Money, who wanted the commission to clarify the Money Agreement made Oct. 9 1959 concerning his housing development west of the new high school.

After a lengthy discussion among the members, the commission decided to prepare a draft of their interpretation of the agreement and talk with Money.

Commission action instructed City Manager Bill York to report to Marcus Adair that if he wants to put in an additional sewer line at his expense he may do so. Adair is building a non-denomination student center and the sewer will not flow from the level of the foundation which is built on a concrete slab on the ground.

Other action taken by the commission included instruction to the city manager to continue the policy of picking up storm damage of trees limbs but not limbs from pruning jobs.

Paul Lindsey made a motion to pass an ordinance creating limited parking areas on the north side of Fourth Avenue from 22nd to 23rd Streets, and on the west side of 16th St. between 5th and 6th Ave.

Mayor D.E. Lowes told the commission about the Civil Defense meeting and the large turn-out and the work completed.

City Manager York asked the commissioners when Sgt. Fred Marshall of the Texas Highway Patrol could meet with them to discuss traffic conditions in Canyon. An invitation was extended for the Dec. 11 meeting.

Senior Play December 7-8

"Mr. Crane of Sleepy Hollow" will be presented by the Canyon High School Senior Class in the high school auditorium, December 7-8, at 8 p.m. This is the first musical to be offered to the public by a high school class, and is directed by Mrs. Lee Foster.

The modern musical is based on the traditional, "Legend of Sleepy Hollow."

The tickets, now on sale, are 75¢ for general admission, and $1 for reserved seats.

GOP Candidate Here Thursday

O. W. "Bill" Hayes of Temple, gubernatorial candidate for lieutenant governor in the Republican primary, will visit in Canyon Thursday afternoon.

Hayes is vice-president and sales manager for the Continental Belden Company, sellers of small farm equipment. Hayes will make several appearances in Amarillo and other points in the Panhandle before coming to Canyon.

He will spend most of the latter part of the week in the Panhandle area.

Palisades Lots Going On Block

Some 42 lots in the Palisades will go on the block for taxes some time in January.

A. W. Lair, acting as county attorney, is doing necessary legal work to implement the sales. Taxes on some of the lots have been delinquent since 1927.

Tax assessor-collector Bill Money said property on which taxes are delinquent elsewhere in the county will go on the auction block soon.

Blackie Wade has carried the ball 66 times for 820 yards, an average of 12.5 yards per carry and has scored 19 touchdowns.

Everett Kelley is the "toe" of the Quanah aggregation. He has kicked 27 extra points and 3 field goals. Also he has caught 5 passes for a total of 182 yards.

Danny Shelton has carried the ball 48 times for 239 yards and Harold Nippert has carried 39 times for 199 yards.

Hilltop Views

BY DR. J. A. HILL

When the late Tom Taylor was President of Howard Payne College at Brownwood some one asked him one day how many students he had. "I have 1001 pupils, but only about 100 students," he replied.

This brings up the oft repeated asertion that there are many young people in college to-day who ought to be chopping cotton or feeding the chickens.

We are not going to argue that question further than to say that so far no one has been found who is capable of determining which ones to send home. I could name more than one ex-student of West Texas State who, if judged by visible results of his or her tenure here, spent his time and his dad's money in vain, but who a few years later was voted the outstanding citizen of his home county, or perhaps the best teacher in the city system. The trouble is, we don't have any way of knowing all the things that go on in a youngster's mind and heart; and with all our measuring devices we have not yet found a way to discover latent possibilities. Not all flowers bloom at the same age, or respond alike to the same conditions of soil and climate.

But to keep my promise above I must change my tune, or may be it is just a variation of the same tune. Anyway, it is by a different soloist.

In a book called "Leaves of Gold," I find the following:

"Who is educated? A professor in Chicago is reported to have given the following test to his pupils. He told them they were not really educated unless they could say YES to all these questions.

"Has your education given you sympathy with all good causes and made you expouse them?

"Has it made you public-spirited?

"Has it made you a brother to the weak?

"Have you learned how to make friends and keep them?

"Do you know what it is to be a friend yourself?

"Can you look an honest man or a pure woman straight in the eye?

"Do you see anything to love in a little child?

"Will a lonely dog follow you down the street?

"Can you be high-minded and happy in the meaner drudgeries of life?

"Do you think washing dishes and hoeing corn just as compatible with high thinking as piano playing or golf?

"Are you good for anything to yourself? Can you be happy alone?

"Can you look out to the world and see anything but dollars and cents?

"Can you look into a mud puddle by the wayside and see anything in the puddle but mud?

"Can you look into the sky at night and see beyond the stars?

"Can your soul claim relationship with the Creator?"

"A Great Man is what he is because he was what he was."

Report On New Court Expected

A committee studying the possibility of establishing a new district court for the Potter-Randall County area is expected to make a recommendation within the next few days.

This information came this week from E. R. Finney, chairman of the Amarillo Bar Association committee making the study.

Finney said the committee was to hold a meeting Wednesday afternoon in his office in Amarillo.

The committee was appointed after Judges Gene Jordan of the 47th District Court and Judge Mary Lou Robinson of the 108th District Court requested that a study be made.

The judges contend that overloaded dockets present an almost unsurmountable task for present presiding judges.

Lloyd Triplett of Claude was a visitor Saturday in the home of Mr. and Mrs. Arvin Triplett.

Marion Bruce of Canyon has sold Betty Karney, purebred milking shorthorn, to Lloyd Miller of Amarillo.

Eagles Lose In Overtime To Panhandle 50-48

The Eagles were edged out in an overtime period 50-48 Tuesday night by the Panhandle quintet in a game played in Canyon.

It was the Eagles' second loss this season.

With 20 seconds to go in the regular game, the Eagles were ahead two points, but the Panhandle five got the basketball and tied the score as the buzzer sounded.

During the overtime, Jess Sheets hit on free throw for Canyon, while Mikes James hit a field goal and Stanley Chade made a charity toss for the Panhandle team to give his team a two point victory.

A major factor in the Eagles losing the game could have been three starters fouling out. Bob Begert, Warren Rutherford and Ronny Harris were all ejected from the game because of five personal fouls. The Panhandle team took advantage by making 24 of 41 free throw tries. Almost half of the Panhandle's team scores were made by charity tosses. Canyon made 12 free throws out of 28 tries, which is less than 50%.

Harry Lisle was high point-man for the Eagles and the game with 15 points. He made several good lay-up shots and pushed seven field goals through the rims and added one free throw.

Howard has a multiple business operation, which includes insurance, home loans, bookkeeping, tax services, and manager of Canyon's credit bureau.

PEGGY TURK

He has been in business for himself in Canyon in the credit bureau since June 1959 and in September of that year he expanded to insurance.

Howard bought the building and completely remodeled it into a business with five offices. He uses three for his firm's work and rents one of the other to Dale Martin. The fifth office is vacant and for rent.

Two employees are working for Howard, one full time and a college student on parttime basis. His secretary is Mrs. Peggy Turk and the college student is Jim Curtsinger.

He was born in Lelia Lake and his family moved to Amarillo before moving to Canyon in 1946. Howard was graduated from the West Texas High School in 1950 and received his BBA from WT in 1954. He is secretary-treasurer of the Randall County Junior Livestock Association.

Howard is married to the former Betty Craig of Canyon and they have one son, Craig, who is three years old.

Jeri and Alan Montgomery have returned to Canyon after spending the past several months in Midland where Jeri was employed in a beauty shop.

HEART BREAKFAST

Randall County Heart Association will hold a breakfast meeting at 7 o'clock Friday morning at Don's Cafe.

Dr. J. Manley Bryan, chairman, will preside.

CHS Girls Lose Third Contest

Canyon's high school girl's team lost their third straight game Tuesday night 33-26 to the Panhandle squad.

This has been the best game for the CHS girl's team. The team scored more points than in the past games and displayed their best defensive efforts.

The score was tied 9-9 at the end of the first quarter, but the visiting Panhandle girls went ahead by two points at the end of the first half 17-15.

The third quarter was the turning point. Canyon's team pushed the ball through the baskets for three points, while the Panhandle team scored eight times.

Lee Ruth Wiggins and Kathy Hinger were high point scorers for the CHS girls with eight a piece.

Canyon Squads Split Games

Canyon split a pair of games with the Boys Ranch teams there Tuesday night, the "B" Team losing 45-23 and the freshmen boys winning 35-25.

The Canyon "B" team played the "A" squad from Boys Ranch, and trailed by five points at the end of the first half, 22-17. The "B" team made only four points the third quarter and two points the last stanza, while the Boys Ranch quintet scored 11 and 12 points in the final quarters.

Eddie Poole was high point man for the "B" team with eight tallies.

Canyon's freshmen team went ahead 8-6 at the end of the first period over the Boys Ranch "B" team, then pulled to a 20-10 lead at halftime. The score was in favor of Canyon's team 29-16 at the end of the third period.

Special Train To Tech Is Cancelled

The special train for football fans going to Lubbock for the annual West Texas-Texas Tech game this Saturday has been cancelled.

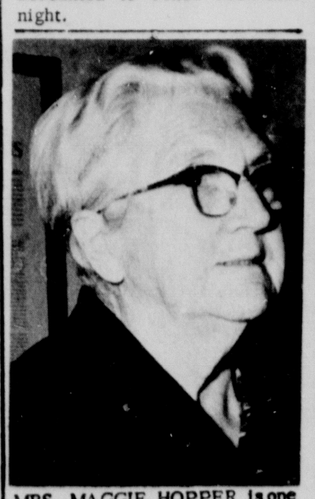

The reason for the cancellation according to Vaughn Vandergriff, ex-student official, is that so many of the students are going in private cars and on chartered busses.

"This is the first year the game has been played during the day and many of the organizations in Lubbock are giving parties that night for many of the West Texas students," Vandergriff said.

Anyone who has bought a ticket for the train trip can get a refund at the place they bought the ticket.

Although the special train has been cancelled, athletic director Frank Kimbrough said they had sold over 1,300 student tickets by Tuesday afternoon and only had 200 left. "Last year we only sold 1,100 student tickets altogether," said Kimbrough, "so it looks like our students will be better represented than ever."

Kimbrough reminds those who asked for tickets to be placed back for them to pick them up by this afternoon as the ticket sales have to be accounted to Texas Tech that night.

MRS. MAGGIE HOPPER is one of the ardent backers of the Chamber of Commerce. In fact, Mrs. Hopper supports almost all community projects. She says she doesn't care for football but always buys season tickets to Buff games.

Mr. and Mrs. H.P. Campbell spent Thursday visiting with relatives in Plainview.

Ibsen Drama Set Saturday Night

Ibsen's powerful drama of a willful woman, "Hedda Gabler," will be staged Saturday at 8:15 p.m. by the famed Cleveland Play House here in the Branding Iron Theatre at West Texas State College. The appearance is sponsored by the WT speech department.

Reservations for the production may be made through the WT speech department, and tickets are now on sale at the box office in the foyer of the Fine Arts Building. Tickets are $2.50 each.

The Play House group has been touring college and university theatres throughout the nation, on a grant by the Ford Foundation. "Hedda Gabler" was recently presented at Colorado State University, where the show received high praise and excellent reviews.

Appearing as Hedda is a well-known Cleveland Play House trouper, Adale O'Brien. She is assisted by Richard Oberlin as her stuffy, pompous husband; Michael McGuire as the suavely lecherous Judge Brack; Alan Lindgren as the ill-starred Lovborg; and Jo Ann Finnell as the husband's good-hearted aunt.

The show is directed by David Hager, who has manipulated the Ibsen four-act drama into a tidier three-act play for the tour.

Hedda Gabler feels shackled by 19th century morality. She lacks fulfillment, and she destroys herself as well as those around her. She longs for Eilert Lovborg, a former admirer, who is loyal to a dull, but good wife.

Hedda deliberately sets out to destroy Lovborg, and she accomplishes this by getting him drunk and sending him to a gay party, where he loses a priceless manuscript involving his life's work and reputation. Hedda suggests suicide and gives him one of her pistols.

Her sinse of triumph is short-lived: the damaging evidence of the pistol implicates Hedda in Lovborg's death, and she soon must submit to the blackmailing of a libertine judge. When she cannot break away, she commits suicide.

...d last week voted ... Bob Davis of Col...umbian Securities to proceed with an application for a bond rating for the Canyon School District.

The board heard a report from the physical facilities committee of the study group on schools. The committee was headed by Dr. W.J. Wooten.

Following are five recommendations made by the committee.

1. That a new elementary school, comparable in size to the present elementary school, be readied for occupancy for the 1963-64 school year.

2. That a new cafeteria or dining area replace the barracks cafeteria at the junior high school.

3. That proper physical facilities be provided to replace old barracks for the junior high school band, industrial art classes, and boys temporary athletic dressing room.

4. That the possibility be explored of converting the small junior high school basement gymnasium to better use, and

5. That a study be made not later than 1963 as to the future needs, if any, for physical facilities.

Members of the committee, other than Dr. Wooten, were Mrs. Clay Cooper, Delbert Lowes, Dr. Strauss Atkinson, Marion Higdon, Bill Sternenberg and Bob Bellah.

In other business, the board transferred $100,000 from the tax collector's fund of current tax collections to the local maintenance and interest and skinking fund.

Members of the board approved $24,000 additional insurance on the south building at junior high school. Trustees felt the value of the building was increased by remodeling.

Memorial Chapel Is Scene of Wiggins-Phillips Nuptials

MRS. MONNIE DEAN PHILLIPS

Vows were exchanged by Vicki Nell Wiggins and Monnie Dean Phillips in a double ring ceremony performed Wednesday evening, November 22, at 7 o'clock in the Joseph A. Hill Memorial Chapel on the campus of West Texas State College. Dr. Strauss Atkinson, pastor of the First Baptist Church, officiated.

The bride is a daughter of Mr. and Mrs. Henry Wiggins of this city, and the bridegroom is the son of Mrs. Callie Phillips of Haskell.

Traditional wedding selections were played by Dorothy Higdon at the organ.

Forming the background for the rites was a large floor bouquet of white and purple chrysanthemums, flanked on either side with branched candelabra bearing tall lighted tapers.

Jayne McCullough of Carlsbad, New Mexico, cousin of the bride, lighted the candles. She wore a dress of purple velveteen and taffeta.

Mrs. Teddy Gunter, sister of the bride, was matron of honor, and Miss Lee Ruth Wiggins, a sister served as bride's maid. Both the attendants were identically attired in street length frocks of purple velveteen and taffeta, styled with fitted bodices and soft pleated skirts. To complete the ensembles, they wore small hats of white net and white gloves. They wore matching slippers of purple, and carried bouquets of purple and white blossoms.

Best man was Hugh Bartlett of Littlefield, and groomsman was Teddy Gunter. Dwight McGehee served as usher.

The bride, given in marriage by her father, chose for her wedding a gown of Chantilly lace with fitted bodice, and v-neckline outlined in rows of tulle. The full skirt was supported with a hoop, and she wore long mits of lace. Her elbow length veil of illusion was attached to a tiara of seed pearls, and she carried a bouquet of carnations showered with white satin streamers which terminated in love knots.

Immediately following the ceremony a reception washeld in the Baptist Student Union building. The bride's table was covered with a cloth of white lace over orchid, and centered with a floral arrangement in purple and white, flanked on either side with tall white tapers. Table appointments were in crystal. The three-tiered wedding cake was decorated in orchids and bells.

Mrs. Roy Kiser and Mrs. David Walvoord, sisters of the bridegroom, presided at the table.

For the wedding trip to Carlsbad, New Mexico, Mrs. Phillips traveled in a two-piece wool suit of blue with fur trim, and she wore a white fur hat and white gloves. Her corsage was taken from the bridal bouquet.

Mr. and Mrs. Phillips are at home in Canyon, where he is a Senior student at West Texas State College. He was graduated from Panhandle High School and has served with the U. S. Navy. She is a graduate of Canyon High School and has attended West Texas State.

Wedding Plans Are Revealed by Couple

IRENE LaJEAN CALDWELL

Mr. and Mrs. Loyse Caldwell of Pampa announce the engagement and approaching marriage of their daughter, Irene LaJean Caldwell, to Charles Carter Williams. Mr. Williams is the son of Mr. and Mrs. Conrad Williams of Goodland.

Vows will be exchanged January 20, in the First Methodist Church in Pampa.

Miss Caldwell is the granddaughter of Mrs. Bertha Hudson of Canyon, and Mrs. Earline Moreman, also of this city, is an aunt of the bride-elect.

Both Miss Caldwell and Mr. Williams are students of West Texas State College.

Home Demonstration Council Plans Annual Christmas Party

Randall County Home Demonstration Club Council met in the Farm Bureau Building Monday afternoon with Mrs. R.A. Hodges, chairman, presiding. Mrs. Earl Reynolds led the national song, "Ever Onward."

Mrs. George Bell, president of the newly organized Grandview Home Demonstration Club, was introduced. Mrs. O.V. Weldert was welcomed as a new member. She is president of the Canyon Club.

Mrs. Earl Burtz, recreation chairman, announced that the annual Christmas party for all clubs of the county will be held December 11, at 2 p.m. at the Junior Livestock Building. All Club members are invited to attend.

Mrs. Lewis Tucek told of plans for the 4-H Clubs Achievement and Awards night to be held Saturday, December 2, in the Livestock Building.

Mrs. Cristler Crain reported that a used refrigerator had been presented to the Junior Livestock Building by Mr. and Mrs. Henry Miller. Council voted to purchase two large folding tables for the building.

Mrs. Hodges was endorsed to be nominated for District I, vice-president next spring.

An all day workshop is scheduled to be held in the Farm Bureau Building on December 5, and all members are urged to bring their Christmas decoration ideas and attend the meeting.

Nine members with perfect attendance records for the year were present, and six of these will receive pins at the Christmas party. Three with perfect records have previously been presented pins.

Bob Phillips Are Parents of Son

Lieut. and Mrs. Bob Phillips are the parents of a son, Mark Raymond, born at Lawton, Oklahoma, November 21. Bob is stationed at Fort Sill.

Grandparents are Mrs. Flora Phillips and Mr. and Mrs. C.F. Rogers, all of Canyon. Mrs. Bob Phillips is the former Wanda Rogers.

Music-Arts Club Studies Opera

"The Ballad of Baby Doe" an opera, was studied by members of the Music-Arts Club when they were entertained recently in the home of Miss Ada V. Clark.

Mrs. Tom H. Knighton gave the background of the production including the life of John Latouche, the writer of the libretto, and Douglas Moore, the composer of the music. Mrs. Houston Bright told the story of the opera and played excerpts from a recording.

After a dessert course, Mrs. Gerald Dietz, vice-president, directed the business meeting.

Canyon Women Attend P-T.A. Meet

Mrs. W. E. Miller and Mrs. Crews Henry are attending the 52nd annual convention of the Texas Congress of Parents and Teachers which convenes this week in Houston.

The convention theme this year is "Homes Create Community Strength Through Effective Learning". Headquarters for the convention is the Rice Hotel; all general meetings will be held at the Sam Houston Coliseum.

Family Dinner Held In D.P. Clark Home

Thanksgiving Day was observed in the home of Mr. and Mrs. D.P. Clark with thirty-seven members of their family and guests present for a turkey dinner.

Attending were Mr. and Mrs. Bob Huddleston, Mr. and Mrs. Wallace Huff and children and Mrs. Lee Wortham, all of Amarillo; Mr. and Mrs. Walter Knox and son, of Morton; Mr. and Mrs. David Hawkins, Alexandria, Virginia, and Mrs. Vera Kelly, Plainview.

Mr. and Mrs. F.V. Brasher and family, Mr. and Mrs. Ray Hawkins and family, and Mr. and Mrs. Gene Morrison and son, all of Canyon.

Canyon Visitor Is Honored at Coffee

While visiting in Canyon last week, Mrs. John Taylor of Hugo, Oklahoma was honored with a coffee Friday morning in the home of Mrs. Ray Metcalf. Mrs. Wayland Angel was cohostess for the occasion.

Thirty friends of the honoree called during the entertaining hours which began at 9:30.

The serving table was covered with a cutwork cloth of white linen, and centered with a Thanksgiving arrangement of flowers and fruit.

Linda Kay Metcalf and Mary Angel, daughters of the hostesses, presided at the table.

Mrs. Taylor was presented two pictures for her new home which is under construction at Hugo.

Relatives Attend L. Barrett Funeral

Out of town relatives who were here to attend funeral services for Landon Barrett included Mr. and Mrs. Chester Parham, Mrs. Golda Pemberton, and Mr. and Mrs. W.D. Hooks, Stephenville; Mrs. Kenneth Underwood, Petersburg.

Mr. and Mrs. L.W. Barrett, Jr., and sons, Randy and Ricky, San Antonio; Mrs. Anita Anderson, Chicago, Illinois; Mr. and Mrs. L.M. Crownover, Johnny and Evelyn, Stratford, and Mr. and Mrs. Elmo Barrett and Starla of Amarillo.

TSTA Banquet Will Be Friday

Second meeting of the Randall County Unit, Texas State Teachers Association, will be a dinner meeting scheduled to begin at 6:30 p.m., Friday, December 1, at the high school cafeteria. This is to be the annual Public Relations Banquet.

A number of Canyon citizens will be invited to attend as guests of the organization. Dr. Emmett Smith will be the guest speaker of the evening; his topic will be teacher retirement.

School patrons interested in attending the dinner may obtain tickets at the high school.

Happy Juniors To Present Play

The Junior Class of Happy High School will present their play, December 1, at 7:30 p.m., in the grade school auditorium. The play is "Margie and The Wolf Men", a mystery comedy in three acts.

Admission is 75¢ for adults and 50¢ for children. There are no reserved seats.

Personal Shower Compliments Mary Carolyn Buecker Sunday

Mary Carolyn Buecker was complimented when a personal shower was given in her honor Sunday afternoon in the home of Mrs. Fred Begert. Miss Buecker and Vincent Ehly of Nazareth will be married November 30, in a ceremony performed at St. Mary's Church in Umbarger.

Greeting the guests were the honoree, her mother, Mrs. Ben Buecker, the prospective bridegroom's mother, Mrs. Anna Ehly, and Mrs. Begert. Those in the receiving line were presented corsages of white carnations by the hostesses.

Blue and white, the bride-elect's chosen colors were used in the table decorations. The table, covered with a white lace cloth over blue, was centered with a bouquet of white artificial roses, flanked on either side with tall white tapers. Crystal appointments completed the setting.

Evelyn Birkenfeld of Nazareth presided at the refreshment table, and Elsie Buecker, sister of the honoree, was seated at the guest book.

Hostesses were Mrs. Begert, Miss Birkenfeld and Miss Buecker.

Crees-Devin Wedding Vows Are Exchanged in Church

MRS. JAMES ROY DEVIN JR.

In an impressive ceremony Saturday afternoon, November 18, Miss Roberta Ann Crees and James Roy Devin Jr., were united in marriage in Waynesboro, Pennsylvania.

The bride is the daughter of the Rev. and Mrs. Robert Crees, 250 Philadelphia Ave., Waynesboro, and Mr. Devin is a son of Mr. and Mrs. James R. Devin of Canyon.

Baskets of white snapdragons, pompons and chrysanthemums, intermingled with palms and lighted candelabra decorated the sanctuary of the First Brethren Church for the double ring ceremony performed at 2:30 p.m., by the father of the bride, assisted by the Rev. Don Rough, Kittanning, in the presence of 175 guests. Bouquets of lily-of-the-valley, fern and white ribbons marked the family pews.

Before the exchange of vows, Mrs. Robert Sweeney, church organist, and Mrs. Don Rough, sister of the bride, presented a recital of wedding music. During the ceremony, the soloist sang, "O, Promise Me", and while the couple was kneeling, "Lord Bless This Hour".

The bride, who was given in marriage by her father, was attired in a floor-length gown of re-embroidered Alencon lace. The bodice was fashioned with square decolletage traced in hand clipped scallops, embellished by miniature pearls and opalescents, and long sleeves tapered to delicate tulip points over the hand. The width of the skirt was supported by a hoop and terminated in a scalloped hemline accented with opalescents, the back detail featuring a scalloped panier overskirt. A demi-crown of starched lace and pearlized blossoms held her sheer veil of silk illusion. She carried a bridal bouquet of white rosebuds centered with gardenias from which fell white ribbons tied with feathered pompons.

Miss Joan Bowser, Hollidaysburg, had the role of maid of honor, while Mrs. Allen Stiffler, Hollidaysburg, and Mrs. Don Rough, sisters of the bride, were bridesmaids. Virginia Crees, another sister, served as junior bridesmaid.

The maid of honor appeared in an afternoon dress of Paris pink silk organza over taffeta and net, designed with draped neckline, brief shirred sleeves, and enhanced with satin at the waistline. The bouffant skirt was softly shirred in back. She added a matching floral bandeau with circular veil and carried a cascade bouquet of Paris pink fugi pompons.

The bridesmaids wore gowns of peacock blue similar in style to the maid of honor with matching floral bandeau. They carried cascade bouquets of white and peacock blue fugi pompons.

The junior bridesmaid wore a Paris pink dress styled identical to the other attendents and carried a cascade bouquet of white and Paris pink fugi pompons.

All the attendants wore single strands of pearls.

Karen Stiffler, Hollidaysburg, niece of the bride, as flower girl, wore a floor-length dress of white organza over white taffeta and net with veil attached to a headband of matching fabric. She carried a basket of white and peacock fugi pompons.

Jerome Foreman, stationed at Fort Ritchie, Cascade, Maryland, served as best man. Ushering were Robert Blackwell, Tuscawaras, Ohio, brother-in-law of the bridegroom; Billy Sloop and Richard Poland of Blue Ridge Simmit.

A reception in the church social room followed the ceremony. The bride's table was arranged before a background of palms and white flowers. The four tiered wedding cake was served by Mrs. Raymond Gantz and Mrs. Wayne Toms poured punch. Others serving were Miss Phyliss Stains and Mrs. Paul Miller. Miss Barbara Hyndman presided at the guest book.

The couple left after the reception for Texas where they are at home at 1515 Seventh Ave., in Canyon. For traveling the bride selected a red crepe sheath, black accessories, and wore a gardenia corsage.

Mrs. Devin was graduated from Olney High School in Philadelphia, in 1959. Mr. Devin was graduated from Canyon High School in 1955, attended West Texas State College, and served two years with the United States Army.

West Texas State Student Is National Talent Contestant

MONA DELL HUNTER

Mona Dell Hunter has been chosen to represent seven counties in Texas at the National Talent Contest. Each contestant is selected upon her talents and honors which she has received in the past. No person can enter the contest on his own, but is selected by the National Board in Dallas.

Mona Dell was chosen to enter the contest last year and won top honors in Texas. She was chosen to represent Texas in the "Top of Texas Talent Tour" which traveled over fifteen states. She will go to Dallas, January 31, to be in the state contest. Mona Dell is a sophomore at West Texas State and is majoring in science and business. She is the daughter of Mrs. Rachel Hunter of Dimmitt.

WT Faces Tech At Lubbock

WEST TEXAS State's 14 football seniors will play their last college game Saturday afternoon in the Texas Tech game at Lubbock. Pete's Last Chance To Set National Scoring Record

Saturday afternoon's big football game between West Texas State and its arch-rival neighbor Texas Tech may resemble a three-ring circus.

Expected to attract more than 30,000 to Jones Stadium in Lubbock, the contest offers a number of side attractions that are of area and national significance.

First of all, Pistol Pete Pedro, the Buffs' 160-pound soph halfback, will be gunning for the all-time NCAA scoring record. He has 22 touchdowns in nine games and needs two to tie the 1954 record set by Art Luppino of Arizona. Anything more than two touchdowns against Tech would give the Lynn, Mass., speedster a new record.

Pedro, who was named to NEA's third All-American team last week, has led national scoring all year. However, Preacher Pilot of New Mexico State went ahead with three touchdowns and six two-point efforts for 138 points (compared to Pete's 132) while carrying the ball 40 times against winless Hardin-Simmons. Pilot has finished his season.

Pete's season total of 132 also equals the West Texas school record and any kind of scoring Saturday would break that mark. He is tied with Ben Collins, present Texas Western coach who set the standard in 1941. Ironically, Pete had his best night of the year against Collins' Miners when he scored six touchdowns.

On Tech's side of the ledger, the Raiders feature a pass-receiving expert who leads the Southwest Conference in that department. He's Bob Witucki, senior end who has 25 receptions for 312 yards. He'll be making a special effort to add to that total and insure a conference championship in that department.

Saturday's principals have opposite records, West Texas boasting a 6-3 mark and Texas Tech a 3-6 listing. But those marks are deceptive and a rip-snorting, high-scoring game is expected.

Three of Tech's six losses have been to teams that are nationally ranked and headed for bowl games. U. of Texas will be host in the Cotton Bowl, Arkansas is headed for the Sugar Bowl, and Rice is expected to host in the Bluebonnet Bowl. Other losses were to SMU, Texas A & M, and Mississippi State. Tech victories came over Boston College, 14-6; Baylor, 19-17; and TCU, 10-0.

West Texas has defeated Brigham Young, 55-8; Texas Western, 56-27; Hardin-Simmons, 42-0; Arizona, 27-23; Trinity, 29-28; and New Mexico State, 35-22. Losses were to Wichita, 41-34; Arizona State, 28-11; and Bowling Green, 28-6.

West Texas State will run a special train to Lubbock, leaving Amarillo at 10 a.m. and making stops along the way at Canyon, Happy and Tulia. Cost of the round-trip fare is $5.35 from Amarillo and $4.25 from the other stations. The special will return 30 minutes after the game. The ABC club of Amarillo reserved the last car of the train and Tech exes have the next-to-last car.

Game tickets sell for $4 and West Texas has an allotment of 4,000. They are available in Canyon at Buffalo Fieldhouse, Buffalo Drug, and Johnny's Texaco Station.

PETE NAMED THIRD TEAM ALL-AMERICAN

The sensational running of "Pistol" Pete Pedro has brought more honors to this sophomore halfback. Pete was named to the third team All-American squad by the Newspaper Enterprise Association last week.

This is the highest honor a football player at West Texas has ever won. Other Buff players in the past have won honorable mention in All-American polls.

Pedro put his name in print during the early part of the season with his high scoring talents and then continued to build his amazing performances to where he is only two touchdowns behind the national scoring record.

Pete has scored 22 times this year, just two short of the 24 TD's made in 1954 by Art Luppino of Arizona, who holds national NCAA scoring record.

Pete has one game left to try to break the record. West Texas plays Tech in Lubbock Saturday afternoon.

In the opening games of the season, Pete scored touchdowns on runs of 75, 48, 23, 23, and 11 yards. In the nine games played, Pete has gained 860 yards for an average of 7.3 per carry.

Because of this threat to the scoring record, NBC-TV gave Pete nationwide television coverage on the show "Here and Now." He has also been featured in many newspaper features throughout the nation and has had several write-ups in magazines.

Sixteen Teams Enter West Texas Tourney

Sixteen teams have entered the first West Texas State basketball tournament to be held at WT's gymnasium this weekend.

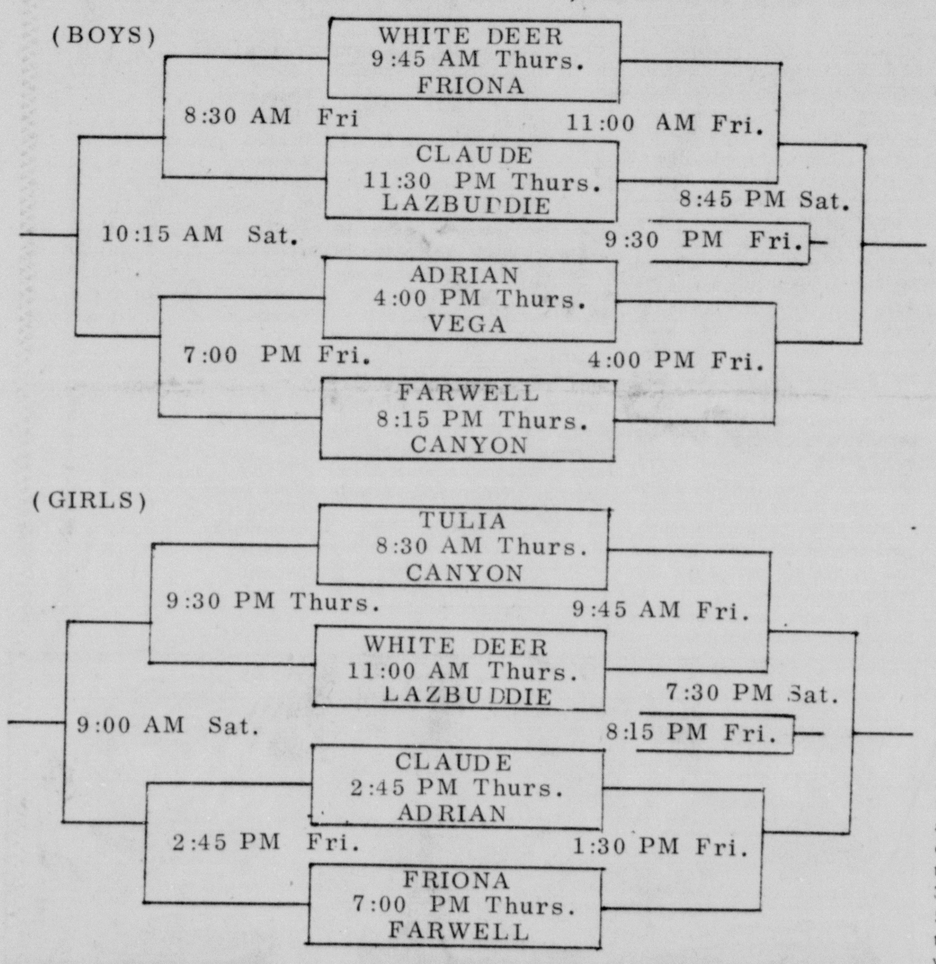

The tournament is sponsored by the physical education majors at West Texas and will begin Thursday with both girls and boys playing. The championship girls game will be 7:30 Saturday night and the final boys game will be 8:45 p.m.

Canyon has both a boys and girls team entered in the meet.

The CHS girls meet Tulia at 8:30 Thursday morning, while the boys will play against Farwell 8:15 that night.

Tally Sheet

By Marvin Ellis

BLOOPER. . .Last week I said the largest crowd at a West Texas game was 14,000. Sports publicity director Ray Franks gently reminded me the largest crowd was a little over 17,000. Pardon me, I'll get the facts right next time, because I'll check with Ray first.

A survey by the Texas Game and Fish Commission reports the average Texan spent more money on hunting and fishing last year than in past history. In 1960 the average totaled to $157.84.

The average fisherman in Texas was on the water 8.6 days, while the average hunter was in the fields 6.8 days. To make up for all of the city folks that just hunt or fish a couple days of the year, it took a large number of real hunters and fishermen to bring up the average.

Pistol Pete Pedro still leads the Buffs in net yardage with 860 ground out in 116 carries for an average of 7.3 per tote.

The fight between fullbacks Bill Lorance and Ollie Ross for yard average per carry changed in favor of Lorance in the New Mexico game. Lorance was behind one-tenth of a yard before the WT-NM contest, but edged ahead of Ross for one-tenth of a yard. Ross has carried the ball 65 times for 338 yards for an average of 5.2, while Lorance has run with the pigskin 88 times for 449 yards or an average of 5.3. The game with Tech Saturday will be the last chance this season, so watch the fullbacks when Pedro isn't carrying the ball.

I received two letters this week. One of them was signed. In short, the second message, a newspaper clipping and a note, was sent but not signed. The person who sent the newspaper clipping wanted publicity for something, but wanted anonymity for himself.

The newspaper clipping was in regard to the Arlington State game with Southwestern Oklahoma. Arlington State skunked the Oklahoma eleven 27-0. Tearing out the clipping and the pencil marks comprise the anonymous letter.

The underlined portion reads, "before an estimated 5,000 homecoming fans." Then a waving line up to the top of the clipping where these words appear. "Yep, Arlington sure packs them in, don't they?"

I don't know what this writer who doesn't have enough paper to write, means, but I will draw from the Nov. 9 Tally Sheet.

I said Arlington was in the growth process and they would be one of the tougher teams in the future. Also that it was one of the larger schools with 9,000 students.

All of these facts are true and in no way did I say what they drew at the gate.

The writer has got his wish, for whatever it is worth, his "dig" has been printed. But unless his name appears from now on his letters will go straight to the waste basket.

The second letter came from Bill Guthrie, athletic news director at Arizona State University at Tempe. He answered my letter asking why the Arizona teams pulled out of the Border Conference. Bill said there were several reasons for Arizona State finding "it necessary to withdraw from the Border Conference.

Bill said, "the main reason being that the administration has felt it would be wiser to compete with schools of more nearly the same enrollment. Arizona State, with an enrollment of more than 12,000, is far beyond the other members in the Border Conference, while members of the new Great Western are all of an equal size."

He added, "Also, from an economic standpoint the present alignment has proved to be unsatisfactory. A 50-50 split in gates leaves Arizona State with a problem of paying more to visitors than it can hope to gain by playing Border Conference opponents on the road."

Well, how does that leave you sports fans?

It's that time of the year again. Firing football coaches. One of the first to go is Jim Myers, a four year veteran at Texas A&M. For the next month, many others will change jobs but you can be sure Jess Neely at Rice will stay in Houton until he decides to retire. Neely has been head coach at Rice for many many seasons.

"REDDY KILOWATT IS OUR CHIEF COOK AND BOTTLE WASHER."

"Our Medallion appliances do the chores while we're busy teaching!"

say Mr. & Mrs. E. R. Higgins of Lubbock Christian College

■ Mr. and Mrs. E. R. Higgins are delighted with the convenience, efficiency and economy of their Bronze Medallion Home. Particularly, they like and use the automatic features of their electric appliances. It is not unusual for them to place the soiled dishes in the dishwasher, the washed clothes in the clothes dryer, and a complete meal – ready for cooking – in the electric range. A touch of the finger to button and timer . . . and they're on their way to their college duties. When they return at night, they come home to clean dishes, perfectly dried clothes and a hot meal ready to eat. As they say, "Reddy Kilowatt is our 'chief cook and bottle washer' – without him, we don't know what we'd do."

Eagles Lose Opener 65-34 Then Wallop Elks 53-35

RONNY HARRIS reaches for a rebounding basketball against the Dumas team last week. Mike Wendede (21) looks like he is getting ready to block Harris out of the action. In the Eagles first game, one Dumas player was ejected because of rough play and 51 fouls were called. Warren Rutherford waits to one side out of this play.

Warren Rutherford Top Scorer In Both Games

After losing their first hardwood battle to a strong Dumas team 65-34, the Canyon High School cage team came back to beat a tough Stratford quintet 53-35 at Stratford last Saturday night to even the score.

The Eagles hosted the Panhandle quintet Tuesday night and the game will appear in the first section of this paper. Deadline for this section is Monday night.

Coach Allen Simpson's charges will play in the West Texas Tournament at WT this weekend. Their first foe will be Farwell at 8:15 p.m.

Tuesday the Eagles will go to Hereford to play their second AAA school. Game time is 8 p.m.

Canyon's five had complete control of the game with Stratford and were only behind during the opening minutes of the game. Donelson sank a jump shot in the first minute of play and the host Stratford team was ahead until Warren Rutherford hit under the basket to tie the score. Then Ronny Harris drove in for two more points to give the Eagles the lead that they didn't relinquish.

The Eagles began to pull ahead and had a 15-9 first quarter lead. At Halftime the CHS quintet had a commanding 28-19 lead. It was 40-26 at the final buzz of the third quarter.

Consistent hitting of the baskets by Rutherford gave the Eagles their playing lead. In the first quarter he hit three field goals, two of them coming the last minute to push the Eagles ahead by six points. The Stratford squad was pulling within tying distance with the score 11-9, but Rutherford with his set shots stopped the Elk's thoughts of going ahead during the initial stanza. Rutherford was high point man of the game with 22 points, nine field goals and four charity tosses.

The Eagles played good defense and stole the ball from the Elks several times. Harry Lisle was exceptionally good in these tactics as he managed to steal the ball many times. Although the Eagles defense was good, several of the players walked with the ball and made several bad throws, which could hurt them in a closer contest.

Running account of the game.

The Eagles opend their season with the strong AAA Dumas team, couldn't seem to find the range and were devasted 65-34.

The initial quarter saw the Eagles miss 17 field goals and one charity toss for an aver age of .000. The CHS quintet was colder than a cucumber and even missed a lay-up shot.

They finally let the first night jitters wear off and then somehow managed to score 12 points the second period while the Dumas squad ran their score up 22 more points. Halftime score was Dumas 34, Canyon 12.

The Dumas squad stopped the Eagles with five points the third quarter and clicked 15 more in for their bid lead. However, the Eagles did outscore Dumas in the final period, 17 to 15 points.

The basketball game almost became a football battle in the second half and Dumas' Jerry Henderson was thrown out of the game by the alert officials.

Both sides got a little rough, but Henderson became outraged and wound up getting the old thumb to the showers.

Top scorer for Canyon was Rutherford with 11 points.

PRACTICE MAKES perfect. Boxers Zeke Clements and Ronny Brock spar with each other at the college gymnasium during one of their nightly training sessions. These are two of Canyon's boxers who are training for the Golden Gloves Tournament early next year.

'B' Team Splits Games

The CHS boy's "B" team won their first game in an exciting match with Dumas 43-41 here. Friday night and they lost their second battle 40-33 to the Stratford "B" squad at Stratford Saturday night.

The Canyon "B" teamers will play their fourth game away from home at Hereford Dec. 5 at 6:15 p.m. Their third contest was played Tuesday night against the Boy's Ranch "A" team and the results will be found in the first section of this week's News.

The Stratford contest started off slow, with seven points being scored the initial quarter by both teams. Stratford edged out a 4-3 lead in this period, but during the second stanza the host team made 14 points to Canyon's five to lead by ten points, 18-8.

At the end of the third period, Stratford's team put 14 points on the scoreboard and Canyon's quintet made ten. During the last quarter the CHS team started to slice the Stratford lead, but it was to great to overcome. Davis Price was Canyon's top scorer with eight points.

In the "B" team's opening battle with the Dumas "B" squad, the scoring lead changed hands many times, but the home squad finally edged out for the win 43-41.

The visitors took a one point lead the first quarter 12-11 and then added another point the next quarter for a two point lead at halftime. The score at half was 24-22.

The hometown lads then went behind five points at the end of the third period, but struggled back to win by two.

Buff Quintet On Road Trip

The West Texas Buffalo quintet will be on the road on the West Coast for one week before returning home to host the Abilene Christian College team Dec. 11.

Coach Metz LaFollette's squad play Seattle University tomorrow night and then on Saturday challenge the Portland University team. The Buffs will travel to San Francisco University Dec. 5 and then the next night play at Utah University.

CHS Girl's To Play In WT Tourney

Canyon's girls basketball team lost their second straight game of the season to the high scoring Stratford Elkettes 49-14 last Saturday night there.

The CHS girls play their fourth game in the West Texas Tournament in the WT gym this morning (Thursday) at 8:30 against the Tulia squad.

The difference in the Stratford game was Donna Brewer, forward, who poured the ball through the baskets from any angle. Donna made 15 field goals and nine charity tosses for 39 of the 49 points for the home-team.

Canyon lassies had a difficult time hitting the baskets, or the game would have been closer in the scoring department. Most of their shots were near hits, but were off just enough to miss. Bonnie Whittington made seven points to tie for second high in the game.

On Nov. 21 the girls lost their first game to Clarendon 37-17. Kathy Hinger scored nine points for Canyon's top scorer.

DEEP SEA FISHERMEN. Mr. and Mrs. J.E. Thomas, parents of Doyle Thomas in Canyon, caught many speckle trout at Corpus Christi during their month-long stay with Mr. and Mrs. Farmer Brown. In this picture one day's catch of speckles numbers 99. During their fishing trip, the group caught more than 600 pounds.

Sixth Graders Make Honor List

Principal L.H. Brotherton issued 30 student's name on the second six week's honor roll in the sixth grade.

They are:

Marilyn Bourland, Kathleen, Brown, Jimmie Brown, Celinda Chism, Leta Cranmer, Dick Cummins, James Faulk, Curtis Fowler, Debbie Fassuer, Bob Gruner, Cathy Gerald, Eddie Garner, Cynthia Holcomb.

Phyllis Hunnicut, Jim Hill, Andy Hull, Lorry Kiker, Mary Mitchell, Andy Moreland, Charlotte Roach, Andy Sherrod, Karen Strohmyer, Rycke Sorgee, Gayle Swatzell, Darlene Williams, John Warren, Frank Williams, Jim Wolfe, Rickey Wilson and Paula Woolsey.

Independent League Begins Basketball

Canyon Independent Basketball League is looking for one more teams to complete the league. They have seven teams and are making plans for a schedule.

Earl Byerly said the games would be played in the Education Building gymnasium on West Texas campus and the league would probably play two or three nights a week.

He went on to say that any college student is eligible if they are employed by a local business firm and are not participating in intramurals or varsity athletics at WT.

Byerly said the league was organized to provide recreation and fellowship for the men of Canyon.

Each team must have a minimum of eight players and the maximum number on one team will be 12. Plans call for a double round robin schedule and a double elimination tournament at the close of the season.

Teams are Taylor and Son's, Bellah's, City of Canyon, Jaycees, Buffalo Barber Shop, The Outlaws and The Hot Shots.

SOCIAL PIONEERS

Social Pioneer members will be entertained in the home of Mrs. Art Roberts, Dec. 7, at 2:30 p.m. Those attending are requested to bring gifts which will be exchanged at the party. Hostesses for the occasion will be Mesdames W.T. Davis, Fred Marshall, and J.P. Hammons.

8th Graders Win Opener

Eighth grade boys won the only junior high contest played Monday night. They whipped the Friona quintet 41-10, while the seventh graders lost to Friona 28-14. Both boys games were played here.

The eighth grade girls lost 22-17 and the seventh grade lassies lost 22-13 to Friona teams in games played there.

Tom Lair was high point man for the eighth graders, while Jimmy Johnson racked up eight points for high point man of the seventh grade squad.

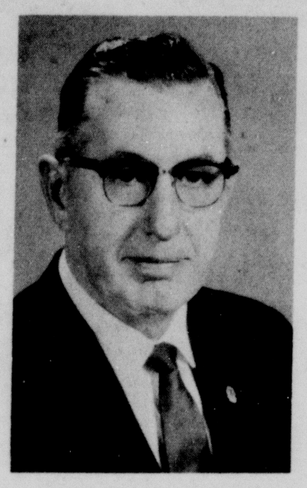

GUESTS IN HOME

Sunday visitors in the home of Mr. and Mrs. T. C. Gooch included Mr. and Mrs. T. V. Slack and children of Perryton; Mr. and Mrs. W.E. Stringer and son, Don, of Friona, Mr. and Mrs. Fay Gooch and children, Floydada; Mr. and Mrs. Ed Gooch of Vernon, and Mr. and Mrs. Charles (Wire) Wright and children of Canyon.

The Great Plains Conservation Program gives the farmer or rancher an opportunity to plan for needed work over a period of time (up to 10 years).

It is a complete plan and all needed work is provided for and the application of the work scheduled during the year that the producer wants to do it. The practices that the government provides cost shares on include dams, wells and storage tanks for livestock water, brush control, pitting of rangeland, terracing, waterways, diversions, and cross fencing pastures.

The Great Plains Conservation Program has been progressing in Randall County since 1958. There are not 28 contracts in force, covering 38,491 acres. Potter county has three contracts covering 26,231 acres. There are two contracts covering 10,993 acres being worked on now.

If you are interested in a complete soil and water conservation plan on your farm contact your Soil Conservation District Supervisor or the technicians of the SCS assisting the Randall-Potter SCD.

WT Choir Christmas Tour Opens

Emphasis on Communication In CHS English Department

Emphasis on communication, both oral and written, is the basis of the Canyon High School language arts program. Students are taught to express themselves correctly and clearly.

In developing a language arts program, grammar, mechanics and use become progressively more advanced as students go from their freshman year to their senior year.

Senior students receive emphasis in English literature, while juniors concentrate on American literature. Sophomores and freshmen get a combination of both. In each year emphasis is on enjoyment and appreciation, with more critical study being given during the junior and senior years.

Another area by which students in the language arts program are reached is the study of mechanics. Writing and pronouncing words correctly, using capitals and punctuation correctly, putting words together to make an effective sentence, paragraph or theme, learning when to use "well" instead of "good" or learning to use the correct verb are examples of things to be learned in mechanics.

The use of mechanics makes communication smoother and enables the student to better prepare for life.

Using words is important in all phases of our lives and vocabulary study is one of the most important areas of English.

English brings to the student ideas of people who have expressed them so well in stories, in poems, in dramas and in true life experiences. Through studying these in English, the students broadens his own horizons and uses those ideas as a springboard for a richer, deeper appreciation of the world.

Putting ideas together in an organized way requires knowledge and practice. The English student has ample opportunity to obtain the knowledge and practice.

Another area of the language arts program is journalism. Until last year, "The Eagle's Tale" was published semi-monthly in the Canyon News. Last year the high school paper became a four-page monthly.

Journalism students learn to find and recognize news, to write editorials, features, sports and various kinds of news stories. Writing headlines, correcting copy and planning pages for reproduction are also completed by the students.

The complete study of the language arts program includes literature, spelling, composition, punctuation, capitalization, word usage and grammar.

Teaching Enlish in the high school are Mrs. Cecil Simms, senior; Mrs. Mary E. Carter, junior; Mrs. Edith Livesay and Mrs. Lee Foster, sophomore; and Mrs. Hazel Walsh, freshman..

V.L Wilhelm On Duty With Army In France

Pfc. Vernon L. Wilhelm, son of Mr. and Mrs. Charles Wilhelm of Route 2, Happy, toured Rome and various parts of Europe on a 12-day leave in October.

Vernon is stationed at Toul, France and is a teletype operator. He has been at his present station since August 3 of this year.

He entered the service in March of this year and took basic training at Fort Hood. He attended teletype school at Fort Gordon, Georgia, before going overseas.

By MRS. J.W. WESLEY

We have had a lot of snow and ice and there was some damage in broken limbs and utility lines.

Mr. and Mrs. G.E. Wesley narrowly escaped being burned out when their hot water heater caught fire during the ice storm. Smoke damage was heavy.

Mr. and Mrs. Erwin Wilson, Glenda and Eddie, spent Thanksgiving holidays in Austin visiting his uncle and aunt, Mr. and Mrs. Gene Wilson and at Georgetown with her parents.

Mr. and Mrs. J.W. Wesley went to Lubbock Sunday as their daughter was to undergo surgery at St. Mary's Hospital there Monday morning. They stayed with her and Mrs. Arlen Wesley until Wednesday night and then went to Brownfield and visited their grandchildren, Darla and Donny Whitcon. They had Thanksgiving dinner with Mr. and Mrs. E.E. Wesley before going back to Lubbock. Then they visited E.P. Wesley at Abernathy.

Mr. and Mrs. John Patterson celebrated Thanksgiving at home Sunday as their children could come home then.

Mr. and Mrs. G.E. Wesley entertained with a Thanksgiving dinner. Those attending were Mr. and Mrs. Richard Evans and Mrs. Evan's mother, Mrs. Wheatley, Mrs. Annie Read, Mrs. Ella Hext, Ed Turner and Mr. and Mrs. Gene Shipman and son, Earl Ralph.

Mr. and Mrs. H.H. Shipman and Mr. and Mrs. Jerry Shipman went to El Paso Wednesday night to visit their daughter and her family for the Thanksgiving holidays.

Rev. John Sullivan preached last Sunday. He and his family visited with Mr. and Mrs. J.W. Wesley.

Charles Wilson was ill one day last week.

Plans were made Sunday for the annual Christmas tree. Everyone is invited to attend Christmas Eve. There will be a short program, treats for everyone and then Santa Claus will hand out presents.

Mr. and Mrs. Ardell Walker of Plainview are parents of a new son born Nov. 6. They have two other children. Mrs. Walker is the former Imogene Langston, granddaughter of the late Bob Wesley.

The Walkers have two other children, Delta, 16 years old, and Frankie, 12.

Mr. and Mrs. Lawrence Miller narrowly escaped being asphyxiated during the ice storm when the air vent on their butane tank froze over.

Boone Wesley was home from Levelland College during the holidays.

Guests of J. W. Spencer for Thanksgiving dinner were Mr. and Mrs. Jim Spencer and children, Odessa; Mr. and Mrs. Jack Nunley and children, Hereford; Mr and Mrs. Erwin Meyer and children, and Mr. and Mrs. Aaron Cummins and children of Canyon.

Mail Box Vandals Beware

Pranksters and vandals who wilfully damage or destroy mail boxes and their contents are liable to a heavy fine or imprisonment, Chief Postal Inspector H. B. Montague has warned.

Montague noted that "numerous complaints" are received by the Post Office Department each year from rural patrons who have had their mail boxes or contents tampered with, stoled or damaged.

"Our Mail Loss and Depreciations Branch estimates that about 15,000 investigations are made each year into wilful and malicious damage or destruction of rural and city boxes and their contents," the Chief Inspector commented.

"A large number of these incidents occur over the holidays, especially the Fourth of Fuly and Halloween. Also, rural boxes appear to be a favorite target of unthinking sportsmen during the hunting season."

Montague said that many people fail to understand that mail receptacles and their contents are protected by federal law.

"Pranksters - especially children who do not know any better - should be made to realize the seriousness of their actions," Chief Inspector Montague declared. "Conviction of wilfully damaging a mail box carries a maximum penalty of $1,000 or imprisonment for up to three years."

The law provides that: "Whoever wilfully or maliciously injures, tears down or destroys any letterbox or other receptacle intended or used for the receipt or delivery of mail on any mail route, or breaks open same or wilfully or maliciously injures, defaces or destroys any mail deposited therein, shall be fined not more than $1,000 or imprisoned not more than three years."

This applies to all mail receptacles and the mail in them, even though the boxes are bought by patrons and are their personal property.

H. R. Fulton is shown here in front of his HR's Greenhouse. HR's, as usual, was decorated in charming fashion for the annual Christmas open house held by that firm Sunday. Both Fulton and his wife, Thelma, supervise and work on decorating the store. Last year a huge Santa straddled the door.

Late Registering Can Bring Fine Says Board

The local draft board at Hereford, which has jurisdiction over Castro, Deaf Smith, Randall, and Parmer counties, has become alarmed over the increasing number of youths who register late for the draft.

Virgil E. Dodson of Hereford, board chairman, said some young men were as late as 18 months in registering in the past.

Mr. Dodson said the board had adopted a policy of having late registrants explain in writing, or they may be asked to meet with the board to explain, why they are late. If their reasons do not satisfy the board, they are subject to earlier processing into military service, provided the board declares them delinquent in performing their duties under the law.

Every young man is required by the federal draft law to register on his 18th birthday, or within five days thereafter. Failure to do so makes him subject to $10,000 fine, five years imprisionment, or both, if prosecuted and convicted.

Young men may register at the office of the board, Evans Bldg., in Hereford, or with any of the following registrars at the following places:

Harry J. Charles, Charles Oil Company, Bovina

M. Ray McReynolds, 2508 6th Avenue, Canyon

Mrs. Jennie G. Burch, Chamber of Commerce, Dimmitt.

One Hurt In Mishap

One man was injured the latter part of last week in a two-car collision on Washington Street about 3 miles south of Amarillo.

Highway Patrolman Gilbert Ray said a car driven by Sherman Eastland, Amarillo, was involved in a collision with an auto driven by H. Junior Hertzel also of Amarillo.

Ray said both cars were traveling south on Washington. Eastland was in the process of making a left turn when the Hertzel car struck the Eastland car.

Hertzel was treated for cuts and bruises. Paula Whitman, Amarillo, a passenger in the Eastland car, suffered a bruised knee.

David Miller of Dallas spent Thanksgiving visiting in Canyon in the home of his parents, Mr. and Mrs. W. E. Miller. David is a student at Southwestern Medical School.

Mrs. Bowman's Services Held

Mrs. Elizabeth Pearl Bowman died Wednesday of last week in Noblett Hospital.

She had lived in Canyon since 1920, having moved here from Tulia. She was born Dec. 8, 1878 in DeLeon, Texas. She was married in September 1896 at DeLeon to R.T. Bowman.

She was a member of the First Baptist Church, Rebekah Lodge, Mother-in-Law Club, WMU and was for many years a Sunday School teacher.

Funeral services were held Friday afternoon in the First Baptist Church with Rev. Strauss Atkinson, pastor, officiating. Burial was in Dreamland Cemetery under direction of LaGrone Funeral Home.

Pallbearers were A.B. Holt, Dale Killingsworth, John Hammond, Murray Boston, B.B. Warren and Wayne Wirt.

Survivors include a son, R.J. Bowman of La Punte, Cal.; six daughters, Mrs. Lula B. Owen of Pampa, Miss Fern Bowman of Fort Collins, Colo., Mrs. C. A. Newsom of Wichita Falls, Mrs. O. F. Dean of Dallas, Miss Lurline Bowman of Canyon and Mrs. R. D. Morland of Baytown; and eight grandchildren and five great grandchildren.

MRS. BOWMAN

Holiday visitors in the home of Mr. and Mrs. H. A. Brotherton were their daughter, Mrs. Alva Boren and Gary of Petersburg and Mr. and Mrs. Claude Zevely and sons of Panhandle. Mrs. Zevely is also a daughter of the Brothertons.

TOP DRIVE-WAY SERVICE PLUS
REPAIR WORK AT ZAC'S HUMBLE

This week the Canyon News Staff visited with Blake Zachry at Zac's Humble Service located at the intersection of 4th Ave and 287 hiway here in Canyon. One of the most interesting things about his business is the fact that a mechanic is on duty from 7 a.m. til 7 p.m. each day. On looking into his background, we noticed that during the past 10 years before going into business for himself Mr. Zachry was at times associated with McAtee & Warwick Automotive Service and the Bruce Blackaby Ford Co. as a mechanic. He is fully qualified for both major and minor tune-ups, which he specializes in and also light repair work such as on grease seals, cluthes, wheel bearing, fuel pumps, etc. In addition a complete brake service department is maintained. Out on the driveway and in the wash room and on the lube rack his fast, expert service has made his name a local by word. Zac reminds us that he gives Western Bonus Stamps with every purchase, double on Wednesdays. Edgar Montgomery, Billie Sizemore, and Buddy Stevens fill out the complete crew. In closing he said "Our service may not be the fastest in the country, but it certainly is the most personalized," and all your business is appreciated!

COUNTY AGENT'S COLUMN

by JOHN BRAZZIL

Several unanswered questions concerning the application of the State Sales Tax to agricultural production goods remain on the State Comptoller's list. Ruling No. 13 does cover some items.

According to rule 13 feed for beef cattle, poultry, and swine are exempt. Dog food, horse feed and bird seed are examples of feed not exempt. Seeds and plants which produce food for human consumption, fungicides, insecticides and fertilizers applied to them are exempt under the ruling. Trees, bedding plants, household insecticides and lawn fertilizers are examples of commodities not exempted.

Farm machinery or equipment used exclusively on farms or ranches in the production of food for human consumption, feed for any form of animal life or other agricultural products to be sold in the regular business are exempt. Parts for farm machinery and equipment will be taxed.

Carbon monoxide gas is a potential killer in the home and car. Deaths from this cause are most common during winter months and usually result from a high, open fire in a room without proper ventilation, a clogged flue, unvented gas stoves or leaky exhausts on automobiles.

Keeping an automobile in good running order is good insurance against carbon monoxide poisoning. Letting a car engine run in a closed garage is extremely dangerous. Symptoms of carbon monoxide poisoning include headache, dizziness, nausea and fluttering or throbbing of the heart. A check of heating equipment and attention to ventilation will eliminate most of the chances for these symptoms to hit you.

Composting is a safe and practical way to handle the leaves which are falling now and cluttering lawns and gardens. A composting bed is simple and cheap to build. Scrap lumber or a few feet of net wire and four posts are the only materials needed. Start with a six inch layer of leaves. Sprinkle on some commercial fertilizer and then a thin layer of soil. Continue adding layers of leaves and soil until the pile reaches the desired height. Adding water to the compost bed will hasten decomposition.

Thirteen versatile foods suited to big dinners or quick snacks are listed on the U.S. Department of Agriculture's list of plentiful foods for December. These foods are: turkey, cranberries, broiler-fryers, pork, apples, fresh grapefruit, pecans, almonds, honey, vegetable fats and oils, peanuts and peanut products, pinto beans and rice. Once again the efficiency of the American farmer has made available to the consumer an abundance of wholesome food at reasonable prices. This is true in no other country in the world today.

Randall County has a National Defense Food Policy Committee which will operate in cooperation with the Civil Defense setup. Agency representatives in Randall County are Doyle Thomas, ASCS. Joe G. Batson, SCS, and John Brazzil, Extension Service. During an emergency, department representatives will be responsible for defense food production, the management of food stocks in the hands of processors and wholesalers, fire control in rural areas, radiological monitoring in rural area, and a program of information and education to help farm families protect themselves, their crops and livestock from radiological, biological and chemical attack.

LIGHTBULBS FOR SALE. The Canyon Jaycees packed lightbulbs for their annual sale this week at Wirt Electric Company. Each year members of the Canyon Jaycees sell a combination of light bulbs to raise money for their youth activities. Odell LaGrone, Richard Pruett and Wayne Wirt sack ten more lightbulbs for the sale price of $2.12 and that includes tax.

J.A. Edwards Completes MP Orientation

Lt. Jerome A. Edwards, 24, son of Mr. and Mrs. J. A. Edwards, Canyon, completed the eight-week military police officer orientation course at The Provost Marshall Generals' School, Fort Gordon, Ga., Nov. 15.

Lt. Edwards was trained in the duties and responsibilities of a military police officer. He received instruction in military police investigation activities, provost marshall functions, the handling of prisoners of war, actions in civil emergencies and traffic control.

The lieutenant entered the Army last May.

He is a 1956 graduate of Canyon High School, a 1961 graduate of West Texas State College and a member of Kappa Alpha fraternity.

CHS Teachers Plan Meeting

Canyon Classroom Teachers Association will hold its third meeting Dec. 5 at 7:30 p.m. in the high school auditorium.

The theme of the meeting will be "Growth Through Love, Tradition and Religion." On the program will be Gene Murray who will sing Christmas carols, and Guylene Stover, who will read a Christmas story from the Bible.

KEEPING UP WITH THE ARTS

There are times when we could actually say to ourselves "music makes the world go around".

Can you imagine never hearing anything but the spoken word? Feature turning on the radio and hearing endless conversation!

Your moods can be changed from ones of deep depression to happy and cheerful light feeling ones by hearing happy and gay music. Then, on the other hand, your somber moods, quiet serenity, and actual rest can be produced by music, too.

There has been an increase from 30 to something like 160 symphony orchestras in the United States in the past 25 or 30 years. There has been a tremendous increase in the growth of audiences for chamber music, for stringed quartets, for trios, for concertos, and so forth, whereas the audiences of a generation ago would hardly accept anything more than opera arias and German lieder. There is a great deal more chamber music today.

In the report on "An Inquiry into Cultural Trends", the result was, that LP records have not dulled the standards of concert goers. Although it was decided that radio is good for music by the nature of its purely auditory reception, it recognized the fact that not too much serious music is played. Radio has been the main booster of music. Television did not contribute much.

"Looking beyond institutions to actual indication of taste, we will find at once that the evidence indicates that only a small minority read serious books, listen to serious music or seek serious programs. Yet if we frame the question in these terms, the increased consumption of books, the increased purchase of classical recordings, the increased attendance at theaters, concerts, and museums all suggest that the level of taste is rising."

In 1956, the best selling list of non-fiction were: Arthritis and Common Sense, 256,000 copies; Webster's New World Dictionary, 250,000; Betty Crocker's Picture Cook Book, 200,000; Better Homes and Garden Barbecue Book, 154,000; and Etiquette, by Frances Benton and the General Federation of Women's Clubs, 150,000.

Now that H. R. and Thelma have announced that the Christmas Season is here, we can dig out all our trimmings, add a few new ones and get ready to hang up our socks!
